

1st XI report

County 1

2021

After an interesting season that started out as tough as it could have possibly been facing the top 5 teams in our first 5 games we ended up putting up a reasonable account of ourselves. If it wasn't for bad discipline we would have been mid table, and most importantly we avoided relegation.

There were some fine performances from a number of players and plenty of building blocks to take forward into next year where we will be looking towards the top instead of the bottom of county 1.

A special mention has to go to Grant who not only finished as the top run scored but also the top wicket taker (I sometimes wonder how). Also mentions for Joe, Mike, Matt, Dan and Jack who on their day produced match winning performances.

It's at this point I will be signing off as 1st XI/Club captain and handing over the reins. I feel I have taken the 1st XI as far as I can, allowing a new captain to lead and push towards the top of County 1.

Thanks,

Callan Jenkin

1st XI captain
